

NutraHelix makes nutraHi™ Products Entry into Functional Foods Sector: Launching of research based and IPR supported products and technologies during the 7th Nutra India Summit 2012 on March 15-17, 2012 at Hotel The Lalit Ashok, Bangalore in NuFFooDS Expo on March 15, 2012

Prof Sameer Brahmachari, Director General CSIR was kind enough to give time, share knowledge and make the launch happen at our technology stall, along with Dr V Prakash, CSIR Distinguished Scientist and Chairman of the Summit Advisory Board. We at NutraHelix, now believe that this beginning may open doors of opportunities for our future collaboration with many organizations and industries in the sector through our science & discovery platform on a win-win mode for joint growth.
